SYDNEY**

BridgeClimb Wedding

If you are looking for an unexpected and completely unique vantage for your **wedding** or commitment ceremony, *we have just the place.*

We have had couples from all over the world choose the Summit of the Sydney Harbour Bridge for the most important day of their lives. Surrounded by uninterrupted views of Sydney, you'll truly feel on top of the world on your special day.

You can choose to celebrate with just your partner in a stunning intimate setting or bring along your nearest and dearest to share your wedding moment that will be remembered by everyone.

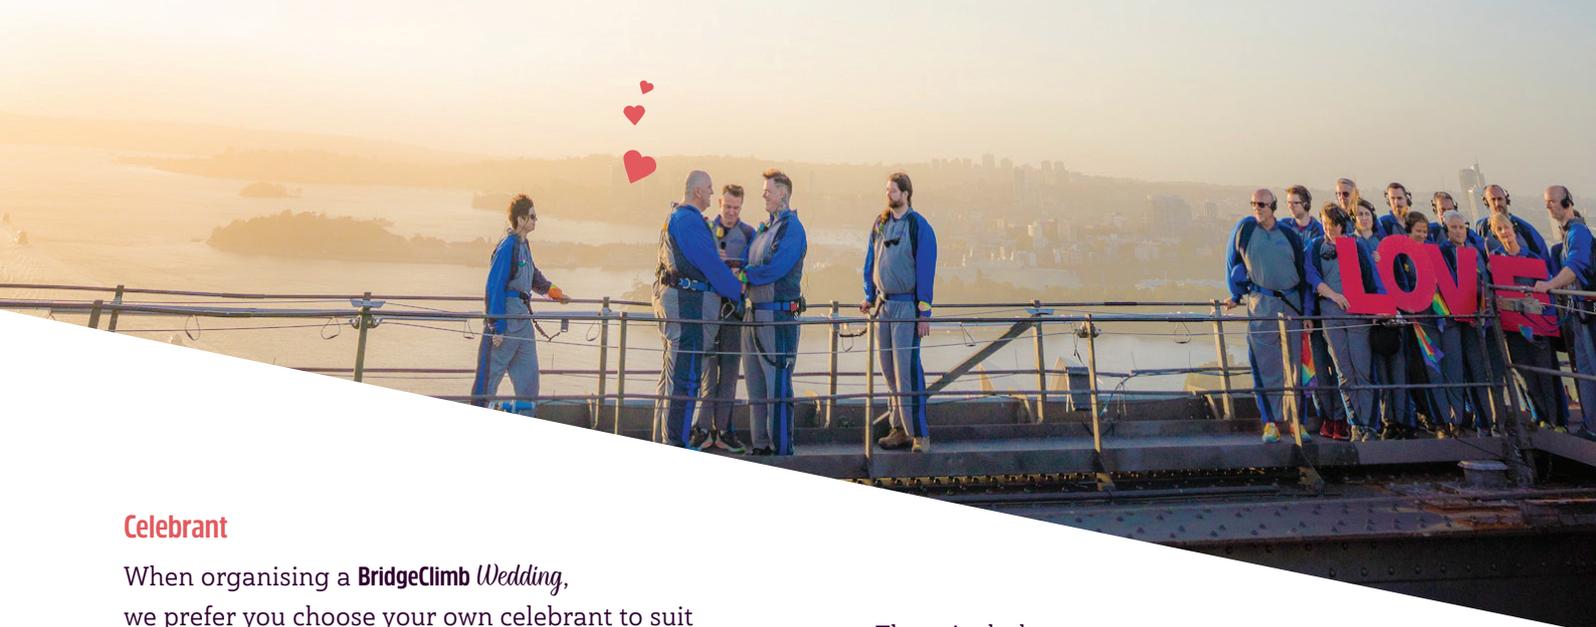

What is the BridgeClimb Wedding?

The Wedding Climb is an incredible private Climb for the wedding couple, celebrant and guests. Taking up to four hours to complete, the Climb includes preparation, a guided Climb experience and time for your once in a lifetime ceremony at the Summit.

I have always dreamt of having my wedding on the Sydney Harbour Bridge. The views from the summit of the bridge were unforgettable."

Celebrant

When organising a **BridgeClimb Wedding**, we prefer you choose your own celebrant to suit your individual ceremony preferences.

Once you have selected your celebrant you will work with them directly on the detail of your ceremony and the official paperwork required by law. Once your celebrant and the date of the wedding is confirmed to BridgeClimb, we will make contact with the celebrant to arrange a time for them to visit BridgeClimb and be taken onto the Bridge for a reconnaissance Climb, so they can become familiar with the environment for the ceremony.

Photography

Your wedding shots from the Summit will be absolutely incredible and we welcome you to bring a professional photographer and/or videographer to capture your lifelong memories.

We will also provide you with a free framed photo, taken by your Climb Leader, as a small wedding gift from us.

Guests

The **BridgeClimb Wedding** package you choose depends on your total number of Climbers. Climbers are defined as the wedding couple, your guests, witnesses, your celebrant and any photographers and/or videographers.

Wedding Climb route

Wedding Climbs follow the same route as the [BridgeClimb Summit Express](#) and the ceremony will take place at the Summit of the Bridge, where all members of your wedding party will come together to witness your special moment.
